(The School of Radiography pregnancy policy is available upon request).**

Application Procedure

Applications for the Class of 2027 will be accepted between October 1, 2024 and February 28, 2025

- Please complete, sign and return your application along with a non-refundable check for \$100 made payable to Mercy Hospital School of Radiography prior to February 28, 2025.
- Have your college/university send official copies of your transcript to Mercy Hospital School of Radiography—1000 N. Village Avenue, Rockville Centre, NY 11571-9024 or they can be sent electronically to Barbara.Geiger@chsli.org.

Once we have received your:

1. Completed and signed application.
2. A non-refundable application fee of \$100.
3. Official copies of college transcripts(s) indicating degree awarded.**

You will be notified of the next available scheduled date for the entrance exam. The entrance examination is a general knowledge test that consists of three portions: verbal, science and math. All candidates must take and pass this entrance examination per application year. Please note that there is an additional fee of \$70 for the entrance exam.

If you obtain a **70 or better on the entrance exam**, you will be contacted to set up “observation time” at Mercy with the clinical coordinator. At the end of your observation time, you will be required to write a short essay about your observation experience. This essay will be graded on a scale of 1-12 and this score will be used as part of the admissions scoring process.

After your observation time is complete, the final step is to be granted an interview with the admissions committee.

Passing the exam, doing observation time and being granted an interview is NOT a guarantee of admission. Due to limited capacity, only a select number of students can be accepted.

Applicants will be chosen based on the following admissions scoring criteria:

Admissions scoring:

Scores for each candidate will be tallied with the highest possible score of 100.
